

**CLEAR ANGLE
STUDIOS**

Capture Assistant

Job Overview

Clear Angle Studios is a company based in Pinewood Studios which covers all aspects of scanning for VFX, from full 360° character scanning in its multi camera systems, LiDAR scanning of sets and high resolution environments acquisition.

Your role would include the setup, shooting and maintenance of our multi camera full body character scanning systems. From on location scanning, handling and organising of data captured, logging shoot data, to prop scanning and shooting textures.

Responsibilities and Duties

- Building and running of our multi camera full body systems on set/location.
- Building and running of our prop scanning systems.
- Laser arm scanning of props.
- Shooting prop textures and tiles specifically for VFX.
- Following and updating shoot tracking spreadsheets.
- Liaising with clients during shoot to make sure we deliver the best service possible.
- Working under tight time constraints and solving problems on the fly.
- Communicating with system leads to ensure efficiencies are met both during and post capture.
- Committed to making sure our clients needs are met on site.

Qualifications

- An excellent basis of photography.
- An in depth knowledge of Windows operating systems.
- Meticulous data handling and attention to detail.
- Calm under pressure with good problem solving skills.
- A team player with excellent communication skills.
- Adaptable and flexible to schedule changes with a willingness to travel.
- Full clean driving license and means of transportation is a must.
